

EMPLOYMENT OPPORTUNITY NOTICE

Cascade Earth Sciences (CES), a Valmont Company

Job Title: Senior Soil Scientist

Position No.: 5302

Location: Bakersfield, CA or Boise, ID

Salary: Competitive salary & Benefits

Description:

Cascade Earth Sciences (CES), a wholly owned subsidiary of Valmont Industries, Inc., is seeking a **Senior Soil Scientist** in either its Bakersfield, California or Boise, Idaho location. CES is an environmental consulting and engineering services firm whose focus is water management. In this challenging position you will function as lead scientist on projects that involve land-based natural solutions for industrial and municipal wastewater management and treatment. Develop business to maintain and increase our market share in these technical areas.

Must have expertise in agricultural and environmental soil science to assist municipal, industrial, agriculture, and food industry clients with permitting and regulatory negotiation; irrigation scheduling; crop management recommendations; development of wastewater and nutrient management plans; subsurface discharge of treated effluent; root zone, vadose zone, groundwater, and surface water monitoring and analysis, and byproduct utilization. Services can include assessment of vadose zone processes, water balance and plant nutrient fate modeling and analysis, groundwater-surface water interactions, and groundwater quality assessment. Use your networking and project visualization and organizational skills to develop business with new and existing customers.

Benefits:

We offer a competitive salary and benefits package, including comprehensive medical plan, ESOP, 401(k) options, and incentive compensation program.

Requirements:

- An MS degree in Soil Science, Agronomy, or closely related discipline
- Must have 5+ years of agricultural/environmental industry experience
- Must have good writing, spreadsheet (Excel), communication skills, and people skills
- Must be able to participate in business development
- Must have demonstrated organizational skills and strong work ethic
